GENERAL INFORMATION

Registration:

Online: www.mlnmonursing.org
Phone: 573-635-5355
Fax: 573-635-7908
Mail: MLN
PO Box 104476
Jefferson City, MO 65110

Onsite registration will only be available space permitting with an added fee of \$15. Space is limited so register early!

Fees: See registration form for a breakdown of fees and deadlines. The fee covers meals as indicated on the schedule for the program, breaks, and materials. Registrant is responsible for lodging cost and out-of-pocket expenses not directly part of the program.

Cancellation Fees: No refunds or credits will be made if registrant fails to attend. There is a \$75 nonrefundable cancellation fee if the MLN is notified 30 days prior to the workshop, and followed up with a written request. If cancellation notice is received less than 30 days, no refund or credit will be given; however, you may send a substitute.

Continuing Education: Five contact hours have been requested to the National League for Nursing. The National League for Nursing is an authorized provider through the International Association of Continuing Education and Training (IACET). You must attend the entire workshop and complete an evaluation form to obtain continuing education contact hours for this event. We do not provide partial credit.

Dress: Business casual is suggested. Since meeting room temperatures are difficult to regulate to everyone's satisfaction, layered clothing is suggested.

Miscellaneous: Treasury Regulation 1.162-5 permits an income tax deduction for education expenses. Contact MLN office to arrange for special ADA needs.

OBJECTIVES

The content for this program is presented in lecture/didactic format. The drug classes will be covered using examples and case studies. Questions and answers will be entertained throughout the lecture.

1. Differentiate among the various classes of drugs by using the "suffix" for each class.
2. Discuss the clinical uses of the above classes of drugs.
3. Discuss the common treatment regimens for selected clinical conditions.
4. Discuss clinical interactions with food and alternative therapies.
5. Identify strategies to teach the complex mechanisms of action for each of the above classes of drugs.

PRESENTER

National Speaker

Barb Bancroft, MSN, RN, PNP, President, CPP Associates, Inc. Barb has provided over 2,000 continuing nursing education seminars over the past 25 years. She has also been a professor of nursing at various universities in the U.S.A. Barb has published articles and has authored three books.
