

## MeLearNing: Online Courses

The following courses will meet the CE needs of health care professionals: nursing home administrators, RN's, LPN's, and many more! Nursing home administrators can earn up to 20 hours of CE through online courses in two years. Once you are registered, an MLN staff member will email you the link to login to *MeLearNing* so you can access your course(s). Course fees per hour: \$30 Member; \$50 Nonmember

### 1 Hour Courses:

- ***Building Caring Relationships: Working Toward Mutual Goals*** (1 A clock/contact hour) Author: Becky Duwe, BSN, RN, CNLCP  
Purpose: To discuss building caring relationships with patients/residents and their families, and with coworkers to promote quality care and improve outcomes.
- ***Clostridium Difficile Management in Long Term Care*** (1 PC clock/contact hour) Author: Jeanenne Clark, MSN/MPH, RN  
Purpose: To provide a framework for resident safety which prevents the spread of Clostridium difficile infection in long term care settings including regulatory framework and best practices to improve the quality of care.
- ***Communication and the Health Care Team*** (1 A clock/contact hour) Author: Susan Devaney, EdD, APRN, BC  
Purpose: To provide an understanding of the basic principles of communication, how the law and professional ethics affect nurse to patient/resident to family communications, the purpose and principles of therapeutic communication, and much more.
- ***Culture Change: Making a Difference*** (1 PC clock/contact hour) Author: Karen Craig, RN-C  
Purpose: To learn how providing person centered care creates an environment where residents can live a life of peace, happiness, and purpose.
- ***Delegation in Nursing Practice*** (1 contact hour) Author: Susan Devaney, EdD, APRN, BC  
Purpose: To assist you in learning the basic principles of delegation, particularly delegation of duties to unlicensed assistive personnel (UAP).
- ***Delegation for Health Care Professionals*** (1 A clock/contact hour) Author: Susan Devaney, EdD, APRN, BC  
Purpose: To assist you in learning the basic principles of delegation as they relate to nursing staff in long term care settings.
- ***Diabetes Overview: Putting It All Together*** (1 PC clock/contact hour) Author: Paula Maize, MSN, BSN  
Purpose: To discuss complications of diabetes, standards of care, and treatment of diabetes.
- ***Geriatric Emergencies*** (1 PC clock/contact hour) Author: Cecil Downing
- ***Infection Control: Cover It All*** (1 PC clock/contact hour) Author: Vickie Beffa, MS, RN, CCHP, CIC  
Purpose: To review the differences between infection, colonized, infectious, and health risks associated with the various diseases and conditions. Techniques to "work smart, not harder," will be discussed.
- ***Medication Errors*** (1 A clock/contact hour) Author: Janet Long, MSN, BSN  
Purpose: To present health care providers an overview of the impact of medication errors on our population and to review current approaches to reducing this problem.
- ***Medications Used in the Treatment of Diabetes*** (1 PC clock/contact hour) Author: Paula Maize, MSN, BSN  
Purpose: To review the usual medications used to treat diabetes, common dosages, side effects, and precautions needed with each.
- ***Pressure Ulcer Prevention: Back to the Basics*** (1 PC clock/contact hour) Author: Jeanenne Clark, MSN/MPH, RN  
Purpose: To provide a framework for resident safety which prevents the development of pressure ulcers in long term care settings.
- ***Restraints Reconsidered*** (1 PC clock/contact hour) Author: Alexis Roam, MSN, RN  
Purpose: To provide an introduction to the limitations, regulations, and possible consequences use of physical restraints pose in the long term care setting.
- ***The Basics of Diabetes*** (1 PC clock/contact hour) Author: Paula Maize, MSN, BSN  
Purpose: To review the causes and prevalence of all types of diabetes as well as various treatment options and prevention.

### 1.5 Hour Course:

- ***Abuse and Neglect*** (1.5 PC clock/contact hours) Author: Betty Markway, MSN, RN  
Purpose: To understand undertaking your personal responsibility in detecting and preventing abuse and neglect. You are the key.

### 2 Hour Courses:

- ***Critical Thinking*** (2 A clock/contact hours) Author: Darlene Sredl  
Purpose: To teach the critical thinking process—all the elements that it is comprised of and how these elements work together.
- ***Death and Dying*** (2 PC clock/contact hours) Author: Colleen Haynie, APRN, BC  
Purpose: To review the grief process and select interventions appropriate for clients and family members.
- ***Ethics in Health Care Settings: Everyday Principles*** (2 A clock/contact hours) Author: Margaret Stone, PhD, MHA, MSW  
Purpose: To explore some of the ethical questions that come up every day in health care settings. A look at the history of many of the ethical principles used in personal relationships and professional daily practices will be addressed.
- ***Professional Demeanor*** (2 A clock/contact hours) Author: Allison Norwood, RNC, EdD (candidate)  
Purpose: Our profession is held in high esteem by the public, yet what makes us different than other professions? In order to understand the differences, we need to start at the beginning and learn what makes a profession.

### 3 Hour Course:

- ***Promoting Better Health Through Prevention and Control of Diabetes*** (3 PC clock/contact hours) Author: Paula Maize, MSN, BSN

**Please note:** This course is comprised of the three, one hour diabetes courses listed above (The Basics of Diabetes, Medications Used in the Treatment of Diabetes, and Diabetes Overview: Putting It All Together). You cannot receive CE hours for the 3-hour diabetes course AND any of the 1-hour diabetes courses. You may either register for the 1-hour courses individually or the 3-hour course (which includes all three 1-hour courses).

The Missouri League for Nursing, Inc., is an approved provider of continuing nursing education by the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

MONA Provider Approval #113-VI

Approved by the Missouri Board of Nursing Home Administrators through TA# 044-712.
